Camp Granada

Hello Mudda, hello Fadda,
Here I am at Camp Granada.
Camp is very entertaining
And they say we'll have some fun if it stops
raining.
I went hiking with Joe Spivy,
He developed poison ivy.
You remember Leonard Skinner,
He got ptomaine poisoning last night after
dinner.
All the counselors hate the waiters
And the lake has alligators,
And the head coach wants no sissies,
So he reads to us from something called
"Ulysses."
Now I don't want this to scare ya,
But my bunk mate has malaria.
You remember Jeffrey Hardy,
They're about to organize a searching party.
Dearest Father, darling Mother,
How's my precious little brother?

Let me come home if you miss me,
I would even let Aunt Bertha hug and kiss me.
Wait a minute, it stopped hailing.
Guys are swimming, girls are sailing!
Playing baseball, gee that's betta,
Mudda, Fadda, kindly disregard this letter!

Sittin' on the bank 'til my feet get cold, honey.
Sittin' on the bank 'til my feet get cold, babe.

honey.
The man fell down and he broke that sack,

With a baby in my hands, I'm going to be an obstetrician!

With a b-ball in my hands, I'm going to do a Coby slam!

With a bad guy in my hands, I'm going to be Jackie Chan!

With some salad in my hands, I'm going to be a vegetarian!

With a paint brush in my hands, I'm going to be an artisan!

With the whole world in my hands, I'm going to be the environment's friend!

Final chorus:

Hey-hey bo-diddly STOP!

Peanut Butter

Peanut, peanut butter

And jelly!

Peanut, peanut butter

And jelly!

First you take the peanuts

And you crush 'em, you crush 'em.

Then you take the berries

And you squish 'em, you squish 'em.

Peanut, peanut butter

And jelly!

Peanut, peanut butter

And jelly!

Princess Pat

Oh the Princess Pat

Lived in a tree.

She sailed across

The seven seas.

She sailed across

The channel too

And took with her

A ricka bamboo.

Chorus

A ricka bamboo,

Now what is that?

It's something made

By the Princess Pat.

It's red and gold

And purple too,

That's why it's called

A ricka bamboo!

Oh the Captain Jack

Had a mighty fine crew,

He sailed across

The channel too.

But his ship sank

And so will you,

If you don't take

A ricka bamboo.

Puff the Magic Dragon

Chorus

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee.
Little Jackie Paper loved that rascal Puff,
And brought him strings and sealing wax
And other fancy stuff.
Together they would travel on a boat with
billowed sail
And Jackie kept a lookout perched on Puff's
gigantic tail.
Noble kings and princes would bow when they
came,
Pirate ships would lower flags when Puff
roared out his name!
A dragon lives forever but not so little boys,
Painted wings and giant rings make way for
other toys.
One grey night it happened, Jackie Paper
came no more.
And Puff that mighty dragon, he ceased his
fearless roar.
His head was bent in sorrow, green scales fell
like rain,
Puff no longer went to play along the cherry
lane.
Without his lifelong friend, Puff could not still
be brave,
So Puff that mighty dragon, he slipped into his
cave.

Shooting Star

Please won't you catch
A shooting star for me
And take it with you on your way.
Though it seems that we've just met,
You're the one I won't forget,
Hope some kind wind blows you back my way.

Chorus

And I was thinkin' maybe somewhere later
down the road,
After all our stories have been told,
I'll sit and think of you,
The dear friend I once knew,
Shot through my life like a shooting star.
You are so dear,

You're a bright and shining star
Shining brighter every day
You are so near,
But soon you'll be so far
So why not hold my hand today?
Chorus

Starfish and Coffee

It was 7:45, we were all in line
To greet the teacher Miss Kathleen.
First was Kevin, then came Lucy,
Third in line was me.
All of us were ordinary, compared to Cynthia
Rose.
She always stood in the back of the line
With a smile beneath her nose.
Her favorite number was 20
And every single day
If you asked her what she had for breakfast
This is what she'd say,

Chorus

Starfish and coffee, maple syrup and jam
Butterscotch clouds and tangerines
And a side order of ham
And if you set your mind free, baby
Maybe you'd understand
Starfish and coffee, maple syrup and jam
Cynthia wore the prettiest dress
With different colored socks.
Some-times I wondered
If the mates were in her lunchbox
Me and Lucy opened it
When Cynthia wasn't around
Lucy cried, I almost died,
Do you know what we found?
Cynthia had a happy face, just like the one
she'd draw
On every wall, in every school
But that's alright, it's for a worthy cause!

Taps

Day is done. Gone the sun
From the hills, from the lakes, from the sky.

All is well, safely rest, God is nigh.
Fading light, dims the sight,
And a star gems the sky, gleaming bright.
From afar, drawing nigh, falls the night.
Thanks and praise, for our days,
'Neath the sun, 'neath the stars, 'neath the sky.
As we go, this we know, God is nigh.
While the light fades from sight,
And the stars gleaming rays softly send,
To thy hands, we our souls, Lord, commend.

Tarzan of the Apes

I like bananas, coconuts, and grapes!
I like bananas, coconuts, and grapes!
That's why they call me
Tarzan of the Apes!
(At each repetition, replace one fruit with a grunt and flex)
I like *hunh!* and coconuts and grapes!
I like *hunh!* and coconuts and grapes!
That's why they call me
Tarzan of the Apes!
I like *hunh!* and *hunh!* and grapes!
I like *hunh!* and *hunh!* and grapes!
That's why they call me
Tarzan of the Apes!
I like *hunh!* and *hunh!* and *hunh!*
I like *hunh!* and *hunh!* and *hunh!*
That's why they call me
Tarzan of the Apes!

Tom the Toad

(Sung to tune of Oh Christmas Tree)
Oh Tom the toad, oh Tom the toad!
Why did you jump out in the road?
Did you not see that car ahead?
Now you are marked with tire tread.
Oh Tom the toad, oh Tom the toad!
Why did you jump out in the road?
You were so green, so round and fat,
And now you are so brown and flat.
Oh Tom the toad, oh Tom the toad
Why did you jump out in the road?
